GENERAL TERMS & CONDITIONS

1. Term 1785911013986
2. Term 1785911019970

ANNEXURE

The project price of ₹21,000 is fixed only for the features listed in this Agreement.

Any feature, module, page, integration, or functionality not expressly mentioned shall be treated as additional work and billed separately.

Paid services (SMS, OTP, WhatsApp, paid email providers, premium APIs, government APIs, etc.) are excluded from the project cost and must be purchased by the Client.

The 90-day development timeline starts only after the advance payment is received and all required project information is provided.

The Developer will provide 30 days of free bug-fixing support after the final handover. This support covers only defects in the agreed features and does not include new functionality or change requests.

If deployment is to be carried out by the Developer, the Client must provide valid cPanel/hosting access with Python/Django and Node.js support. Any deployment issues caused by incompatible hosting or incomplete access shall be the Client's responsibility.

After the 30-day support period, all maintenance, modifications, enhancements, and support requests will be chargeable unless covered under a separate maintenance agreement.

Up to 5 free online training sessions (maximum one hour per session) for the Client's authorized users. A complete video tutorial explaining the operation of the entire system, including major modules and administrative functions.

All payments made under this Agreement are non-refundable. This includes the advance payment and all milestone payments. In the event of project cancellation, suspension, or termination by the Client after work has commenced, the Client shall not be entitled to any refund of amounts already paid. This clause does not affect any rights that cannot be excluded

under applicable law.

In witness whereof, the parties have executed this Agreement as of the date first written above.
